Q#	Subsection	Question	Response
1	Section 6 Bid Price	Page 3 states to exclude all taxes from the bid price. Page 17 states to include necessary taxes in bid price. Which is it?	<b>CLARIFICATION</b> Delete reference to taxes in bid price. <b>DELETE</b> Include in your price above any applicable taxes, freight, delivery (FBO to location below), etc. <b>REPLACE WITH</b> Include in your price above any applicable taxes <b>(except Sales Tax), fees</b> , freight, delivery (FBO to location below), etc.
2	Section 5 Technical Specifications	Concerning treatment (everything will be BMP of course), ACQ can be the treatment for all sawn lumber. Copper Naphthenate can be the treatment for all glulam (stringers) because ACQ cannot be certified for laminated products. There will be a color discrepancy between these two treatments. Is this concerning to you?	<b>CLARIFICATION</b> The following County Hydraulic Project permit language referred to the Western Wood Preservers Institute <a href="http://www.wwpinstitute.org/">http://www.wwpinstitute.org/</a> – Best Management Practices (BPM). <a href="#"><i>BMP - Best Management Practices for the use of Treated Wood in Aquatic Environments</i></a> and <a href="#"><i>BMP Amendment #1 - ACZA April 18, 2002</i></a> <b>The County at this time is not certifying, at this time, that the treatment plan in the question is the only approved wood treatment. The County is aware that there may be a difference in the color or hue of the woods in the bridge kit due to the treatment recommendation in the (BMP).</b>
